MEMORANDUM

TO: LITTLEFIELD MAYOR AND COUNCIL

DATE: 8-23-24

FROM: MITCH GRANT, CITY MANAGER

SUBJECT: BUDGET MESSAGE FOR FISCAL YEAR 2024-2025

Once again it is time to adopt our annual budget. As you know, budget adoption is the most important thing that is done by the City Council. It directs all our services that are provided to our citizens. I feel that we have spent ample time discussing and preparing the document for your approval. Note that you can make any needed changes at this time.

The proposed budget will mark the first positive bottom line we have had for General and Water Funds that we have had in several years (excluding the bonded expenses). Our budget numbers are conservative and have resulted in a continual increase in reserves. This Budget document includes all the minor funds that we account for. Note that we show bond revenue and expense in a stand-alone manner, but they do show up in final balances. (summary page)

This budget includes a continuation of the Step & Grade Merit system and a \$60 increase in the subsidy for employee health insurance (\$485/mo.).

General Fund

Revenue is estimated at \$6,946,119 (5.2% above last year). The Expenses are \$6,921,260 (0.2% above last year). Cost for property and workers compensation insurance contributed about \$25,000 to costs.

Police – The cost for capital is lower because we plan to purchase one vehicle as opposed to the three units purchased this year. The Police Department was reduced by one support clerk through attrition. Part of the savings was given as increases to the remaining support staff member and the dispatchers. This resulted in overall savings of about \$18,000. This came late in the budget discussion and is shown in the slightly higher bottom line of the General Fund.

Fire – The last payment for the new Fire Truck should be near the end of this fiscal year, so we show a cost of \$659,248 which is partially offset by a \$400,000 USDA Grant. My guess is November of this year.

Refuse - I have included the purchase of a new Track Loader for the Landfill at a trade-in difference of \$380,000. An additional employee was also added allowing more enforcement fighting illegal dumping and other code violations. There is always considerable overlap with Code Enforcement and Sanitation.

Residential Collection – Anticipated Pay increases for drivers.

Public Works -Reduction of street resurfacing to \$350,000 down from \$750,000 is notable. This should finish the multi-year project. We will reassess conditions and set up a yearly rotation for next year.

Water Fund

The revenue is estimated at \$3,801,000 which is up by 16% and anticipated to be about \$350,000 above this year because of increases in water and sewer rates. This revenue is needed to service the new debt for the Bond Projects. Again, they are the 3-million-gallon tank, two new water wells and main sewer lift station reconstruction. Expenses (excluding the bond projects) are at \$3,616,587 which is a reduction of 5.6%. We show the bond projects as a stand-alone project so not to impact the operational budget that we have been working on.
